INTEGRATION MAPPING OF REFUGEE
AND MIGRANT CHILDREN

The right to education, a tool for real and long-term integration of migrant and refugee children in Europe

**Let's celebrate together the
30th anniversary of the the
adoption of the Convention
on the Rights of the Child**

The IMMERSE project wants to raise awareness of the importance of early integration of migrant and refugee children to ensure the full realization of their rights

-  Do you think migrant and refugee children are well integrated in our communities?
-  What is the key for successful children integration?
-  Do you think long-term integration of migrant children have a positive impact on our communities?
-  Do you think schools play a key role in the integration of children?
