INTEGRATION MAPPING OF REFUGEE
AND MIGRANT CHILDREN

Press release

12 October 2023

IMMERSE is a project funded by the European Commission through the Horizon 2020 programme involving 11 organisations from 6 countries (Belgium, Germany, Greece, Italy, Ireland and Spain) that started in December 2018 and come to an end in November 2023.

IMMERSE aims to improve the socio-educational inclusion of refugee and migrant children in Europe through the creation of a new set of socio-educational integration indicators and tools incorporating the perspectives of children, their families, and the educational community.
