Jacqui O'Riordan

Who are we?

Why are we here today?

What do you want to achieve today?

Why include children and young people in research

ARTICLE 12: You have the

United Nations Convention on the Rights of the Child

**right to
an opinion
and for it to be
listened to
and
taken
seriously.**

Why include children and young people in research?

- You can make an important contribution to knowledge
- Adults can't be children again
- You see things with different eyes, ask different questions, have different agendas

Research should be:

Systematic

- What is my research question?
- What information do I need to answer this?
- What specific questions will get me this information?

Sceptical

- Doubt and Question
- Fact or Opinion?
- Cause and Effect?

Ethical

- Consent
- Confidentiality
- Power balance
- Safety
- Boundaries
- Respect
- Sensitivity
- Support
